Name visa applicant:
File number:

Use of the official languages in administrative matters : information

The applicant can choose in which of the three official languages of the Kingdom of Belgium his/her visa application will be handled.

The applicant can also decide to have no preference regarding the language in which his/her application will be handled.

Whatever the choice of the applicant is, the central authority guarantees that all visa applications will be dealt with in accordance with the law.

Please tick your choice:

- I have **no preference**
- I want my application to be handled in **French**
- I want my application to be handled in **Dutch**
- I want my application to be handled in **German**

Please date and sign to validate your choice.
