

Au pair Visa – List of required documents

Context : The au pair is a young person temporarily hosted by a family in Belgium. The family provides accommodation and food in exchange for light family duties. Participating in family life allows the young person to improve his or her language skills and to develop his or her general culture through a better knowledge of Belgium. The au pair has to obtain a work permit before being placed with a host family. He or she must then apply for authorization to stay in Belgium for more than 90 days (D type visa) at the Embassy of Belgium in Helsinki.

If you are a Third Country National wishing to stay in Belgium for more than 90 days, you need to apply for a D type visa.

These are merely the standard documents. We might require further evidence at the course of the process.
